

INCA Meeting Announcement: Monday **Sept 18** Newscard Vol 8, Issue 9

Our Guest Speaker is **Dr. Richard Rozek**, V.P. of NERA. He and his International associates support public policy as well as hi-value litigation on Intellectual Property. Those inventors whose interest includes equitable licensing and fairness in settlements will need to be aware of the issues that NERA supports. This is where the Money is!

Note that our September Newsletter is significantly abbreviated. We invite members and friends to read announcements and cross-linked information from Raoul Drapeau's <http://inca.hispeed.com> website. We also invite members to inspect the address sticker on the other side of this card. If its bottom line does not say 12/00, you may want to catch up with a \$36 or \$10 dues check. Send to P.O.Box 15150 Arlington Va 22215.

September is the time to complete plans to get to the 5th USPTO Inventors Conference. Call Cathy Kirik 703 306 5606 to get signed up for Oct 6 & 7 @ Univ/Md, College Park. For those who did not get to the Saturday Seminar in June99, include 5 Oct afternoon.
