

INCA Meeting: April 16 See Map on
<http://inca.hispeed.com>, link from “meeting” word of 1st page.

“Inventor Networking” starts at 5:30.

Our 6:30 speaker is Mr Michael J. Raphael, Executive of DIRECT DIMENSIONS INC. Mr Raphael told John Melius of their technical transfer of a medical apparatus to high-precision (new use) industrial application. *See and hear about their commercialized data service with remarkably accurate hardware and software.*

Your e-mail will be receiving more INCA announcement and NEWSLETTERS. Raybik@aol.com still needs both e-mail &
