| Explanation of complaint between customer and invention promoter: |
| I have paid close to 10,000.00 to Invention Submission Corporation and I am still not aware of how they marketed my invention. They state they submitted my invention to companies however from my understandings the companies they submitted to are no use to my invention. Also they hired an attorney for me that allowed my patent to go abandoned. I am wanting my contract voided and all monies paid back. |
