WHAT IS YOUR COMPLAINT?

Please be as specific as possible. Specify the invention promotion services offered to be performed or performed, provide the name of the mass media in which the invention promoter advertised as providing such services, and explain the relationship between the customer and the invention promoter. If additional space is needed, the information may be provided on paper attached to this form.

I came to you because of your advertisement on TV. I was totally dissatisfied with the representative and the services that were provided. Or should I say not provided. I feel that I was mislead by everyone in your company including client services. Nothing you provided would even come close to putting my product on the market. Which was what I was lead to believe. I spent $13,000.00 with your company

All I received was a lot of papers. I believe that I am entitled to my money back
