

InventHelp has certainly done a real scam job on me. I am writing this as my formal complaint to have the contract cancelled and all my monies returned to me. I also would like for this to go as far as it can possible go, as I would hate to have this happen to someone else, [REDACTED]

I did not invent this to make millions of dollars. My first thought was [REDACTED]

The contract ends in September of 2006. I am just lost on what to do next. I just can't bear the thought of just throwing this amount of money away. Now knowing the history of all the scams this company has done, I feel somewhat embarrassed and humiliated that I allowed them to take not only my money, but also my integrity.

I do hope that you can help. If you need further information, my information is:
