

to the trade Show. There are two <sup>of</sup> ~~also~~  
our major complaints. We are not satisfied  
in the work they said they did. We payed  
\$11,234.36 to these people and they didn't do  
what they said ~~they~~ were going to do. These  
people should not be in business. I really  
do hope something will be done about  
Invention Submission Corp.

Thank you
